

Pontious Farm

Delicious, quick, easy... Pontious Mint Tea

1 sandwich bag of mint stems/leaves. (We like spearmint tea, peppermint tea, and chocolate mint tea.)

1. Wash stems/leaves.
2. Fill iced tea pitcher with water to three quarts line and pour water into bottom compartment of iced tea maker.
3. Fold mint stems/leaves into top compartment of iced tea maker.
4. Set iced tea maker dial to closed and power on iced tea maker.
5. When iced tea maker is finished (about 10 minutes), set dial to open.
6. When all water has drained from top of iced tea maker (about 1 minute), set dial to closed.
7. Pour tea from iced tea pitcher into serving pitcher.
8. Repeat steps 2 through 7.
9. Fill serving pitcher with 50 ice cubes.
